

Utah Newsearch

Basic Search

- 1 – Enter Search Terms (use quotes for phrases), and hit “search”
- 2 – Mouse over results list to see the newspaper page, then click on the result you want
- 3 – Hit “Show Previews” to return to results list

Limit Your Search

- 1 By Date:** Hit “Show Options” ; Click the box next to “Date Search” ; Enter the desired beginning date; Select the Date Range
- 2 By Newspaper or Group of Newspapers:** In the Dropdown called “Filter by:”, select “Newspapers”, “City”, or “County” and select the desired Newspaper or group of newspapers in the box that appears to the right.

Search For Names or Words Together

From the “Search” drop down, choose one of the options that says “Boolean” , then enter your search terms in parentheses -for example (John Smith)

Browse a newspaper

In the Dropdown called “Filter by”, select “Newspapers”, then select the desired newspaper in the dropdown box that appears to the right.

Select “Issue List” and choose the date you want to browse.

Navigate The Newspaper Page

Use the PDF features:

Search the page for keywords by entering them in the “Find” Box in the PDF menu

Print, Email, or Save the page using the PDF print, save, and email icons.
